

## CORPORATE PROGRAMMES / EVENTS

At Journeys, we believe in mixing work with play. At every stoic business meeting, there is nothing like good humour to bridge cultural gaps and inspiration to help seal the deal. We have excelled in creating and delivering one successful corporate event after another, from hosting ministerial delegations to taking care of the social-orientation touring needs of conference participants, and even facilitating corporate-community enrichment and bonding activities. Our content resources provide valuable insight into the diverse fabric of Singaporean society while our dynamic team and wide business network ensure you authentic, well-conceptualised programmes, delivered by expert guides who understand the enduring impact of an exceptional business event.

### Our specialty programmes include:

- Commemorative tours for historical milestones and anniversaries
- Specialists-guided tours for official-diplomatic delegations
- Social tours for conference groups, combining city orientation, cultural familiarisation and urban transformation
- Specialists-guided introductory tours for visiting officials and top-management staff
- Themed excursions for NGOs, interest groups and social organisations
- Scenic walks at the historical Fort Canning Hill, Singapore River and former quayside
- Themed evening walks and pub walks that are perfect as pre / post-function social events
- Enrichment, team-building and bonding programmes for both multi-national corporate and community groups
- Insider's experiences ranging from museum visits and heritage to luxurious recreation for accompanying spouses of business travellers
- Industry visits and business opportunities

*All private / corporate programmes are subject to minimum booking fees. Short, self-contained tour modules covering popular heritage enclaves are also available for travellers on a tight schedule. For more information and a full listing of tour module, please [click to enquire](#).*
