

## Secrets of the Red Lantern™ A Chinatown Night Walk

"A sense of mystery, spice, and humor... kept us all entertained and hanging on every word."  
- Gina, USA

"Fantastic, unique tour that only this company takes you on. You hear some amazing stories on this tour and walk through the red light district, which is very very interesting. It's one of the best tours we did in Singapore!"  
- Jancye W, Australia

### Tour Synopsis

The lantern beckoned him. The new ah ku was pretty, fresh from Canton. High on opium, he made his way unsteadily towards the gaslit brothel. In 1887, the brothels in Chinatown were as many and as close together as the teeth of a comb. Combine that with the proliferation of opium and gambling dens, it was sin city. It is no accident that Chinatown was also known as *Bu Ye Tian* – The Place of Nightless Days. Discover vice and tragedy in the shadows of Chinatown by night. We will venture into the fringes where entertainment, in its rawest form, is still practiced today. Tread with us as we go where many men have gone before!
